"My entire experience at Largo Medical Center was filled with supportive and positive people. To receive the precious gift of a kidney transplant, and on Christmas Day no less, is an indication of the dedication of Dr. Mohamed and the staff of the Transplant Institute of Florida at Largo Medical Center."

Ronald De Leon
Kidney Transplant Patient

More than 100 local firefighters turned out for Palms of Pasadena's hosted fire drill. Because equipment causes so much damage, it is unusual for the firefighters to get to do this type of practice in an actual building, but the hospital opened their doors prior to starting a \$10 million renovation project.

Our Community Baby Shower is a free educational event, providing moms/moms-to-be and dads a place to talk with healthcare professionals about all aspects of welcoming a new life into the family. OB/GYN Physicians, Pediatricians, Women's Services Nursing Staff, Lactation Consultants, Nutritionists, Personal Trainers, Massage Therapists, Class Instructors, EMS and Fire Rescue, Admissions Staff and more were on hand to answer questions and provide tours of the delivery units in the hospital. Lots of food and fun was enjoyed by many happy expectant families!
